SPG	Thailand	Koshin type rotary drum pump, gear pump, glass cylinder metering drum pump
HENG SHENG	China	External and internal gear pump. Sanitary stainless lobe pump
AG	Taiwan	Stainless steel deepwell submersible pumps.
JN	Taiwan	4" & 6" submersible pump motors, Nema standard – rewindable
VERSAMATIC	USA	Air operated double diaphragm pumps for corrosive, abrasive & viscous substance. chemicals. food. solvents. paints. pharmaceutical. 1/2" to 3"
KYOWA	Japan	Pressure washer, hand operated hydro test pump. 50 to 1000 kg/cm <sup>2</sup>
CH&E	USA	Engine driven single diaphragm pumps for waste water
GOLDEN	Pakistan	Horizontal piston pumps
KEMPION	Korea	Chemical metering pump
PROTECH	Thailand	Rotary vane pump for reverse osmosis, vending machine, coffee machine
MAC-3	Italy	Float switch & floatless relay for liquid level control
ITALTECNICA	Italy	Pressure switch for pumps and air compressors. Vacuum switch, pressure gauges, high and low cutoff pressure switch
FLUOMAC	Italy	Flow controls for dry pumping protection
ITT JOHNSON	USA	Flow switch, paddle type
TAIYO	Thailand	Floatswitch, dual sinker type
SQ-O	Thailand	Pressure switch for pumps and air compressors
YAMADA	Japan	Pressure switch for Japanese home pumps, motor centrifugal switch, float
BT / NTK	Italy / Taiwan	Replacement mechanical seal for pumps
COMAR	Italy	Running capacitor
JUPITER/ VALBRASS	Italy	Brass check/ footvalve 1/2" to 4", y-strainer, air release valve, ball valve
MONARK	Thailand	Lightning surge arrester, 1 Phase and 3 Phase
AV-100	Thailand	Air volume control for pressure tank
ZILMET	Italy	Diaphragm pressure tank, 18 to 2000 liters
FLOATMASTER	Thailand	Plastic float valve, from 1/2" to 2", pilot operated type
MONARK	Thailand	Brass single pipe ejector 2", double pipe ejector 3" & 4"
MASTECH	Hong Kong	Multi-tester, clamp meter, capacitance tester
